Does that answer your question?

I do not know
whether or not it was
the real assassin.

But I killed the
one who claimed to be
Dan-Hyang.

CHAPTER 10

The assassin who
killed General Tso-fung
before committing
suicide...

*Were they a man?
Or a woman?*

이
러
지
다

Chapter 76: Theories

What?

Chief Jung-Ho
hasn't arrived yet!

Yes, my lord.

A character with a red headband and a red garment is shown in profile, looking towards a blurry, brownish figure. The background is dark and indistinct.

He hasn't been back
since last night.

...Last night?

Do you know his
whorehouse?

Sir...

I believe he has
gone to meet the spoiled
right-parliamentarian
Men-fung.

Checking things
out.

With
right-performances
Man-ling.

I knew he'd notice
the fact that I limited the
investigation...

But why would
he visit the right-
performances?

Chief Jung-Ho!

Hmm...

I'm not sure why
you'd ask that...

The dead assassin
was a woman.

However, why
does this matter?

That assassin
is dead.

And we have no idea if
the captive one is a man
or a woman.

Even though we have no
idea who attacked me,

I still have a
theory to shed
light on this.

Knowing the gender of the
dead assassin strengthened
my theory.

I believe that the assassins were under the command of either the left-parliamentarians or Crown Prince Hui Yon.

That could explain why the investigation of a right-parliamentarian's assassination has been omitted.

However, this theory raises another question.

If the left-
parliamentarians had
purposefully made it look as
though Dan-Hyung
organised them...

Kangpal would
easily have been conferred
innocent, making things
easier

However, rather
than taking the easy option
of using Dan-Hyung's
name,

...they attacked me and
limited the scope of the
investigation-

I wonder why?

Here's where
I came up with
another theory.

Putting the blame
on you, Moon-Jung, and
proving Kangyul's innocence
wasn't their entire plan.

In truth...

They were trying to avoid a
situation where the name of
Doo-Hyang the assassin would
be mentioned again.

A few days ago, I was looking for evidence of the assassin in the royal courtesans' chambers.

I saw a lot of courtesans with injured wrists and shoulders.

Right then, it came to me.

When I grabbed the assassin's wrist,

...it was very thin.

As if...

...it belonged to a woman.

~~~~~

...Hee, Chief  
Jung-Ho.

It's not  
unusual to see thin  
male assassins.

Due to the nature of  
assassination missions, their  
training regime befalls them  
to be agile and quick—

...especially since  
assassins are meant for  
one-on-one duels rather  
than full-on battles.

It's not something you  
can tell just by feeling their  
wrist.

That's what I  
thought at first.

However, I still believe  
that the left-partisans  
were trying to avoid the name  
"Dan-Hyang" altogether.

And the more I thought  
about my theory, the more I  
became convinced.

On top of that, from  
what you said...

That assassin you'd  
previously killed... wasn't  
she a woman?

Although it's very difficult to tell whether it was the left-parliamentarians or the right-parliamentarians...

Someone has tried to avoid Dan-Hyang's name.

Once I started to wonder why this was, I came to a conclusion.

Conclusion

A conclusion.

I believe that...

Dan-Hyang the  
warrior...

...is already in the  
Royal Palace.

Chapter 77: Choosing Sides

Chief Jung-Ho...

...your theory  
currently lacks  
evidence.

The only thing  
supporting your opinion is  
the fact that they may act  
that way and even that is  
a weak reason.

Serious  
consideration of  
your theory...

...would be... dangerous.

.....

Do you realize  
what your suggestion  
implies!

BREAK

If what you're  
saying is true...

It probably was a  
left-parliamentarian who let  
the assassins in...

or, going even further, crown  
prince Hui Yaon...

The very  
group who attempted to  
assassinate the Emperor.

It's only a theory.

However, it  
would explain a lot  
of things.

... However, no  
one in the royal court  
would heed us at this  
point.

Of course, I wasn't  
planning to charge in  
recklessly.

The identity of the  
mastermind is unknown  
at this point....

Like you said, there  
isn't enough evidence to accuse  
crown prince Hui Yoon.

.....?

I fail to understand.

If you understand the risk as well, why are you informing me about your seditious conspiracy?

Because, right-parliamentarian *Mum-fung*, you may be misled correctly,

but your influence within the royal court remains,

When the left-parliamentarians act suspiciously, the right-parliamentarians are able to control them—to stop their schemes.

If I tell you my theory,

I figure it will certainly reach right-parliamentarian Mu-Rang.

And perhaps even the rest of the right-parliamentarians eventually.

Even if my theory is weak, it is better to be safe than sorry.

Hmm... I'd always thought you were on crown Prince Hui Yoon's side,

but now I see that's not the case.

Chief Jung-Ho, if you'd a little more common sense, you could have made it to higher positions in the government.

...I'm not  
interested in any  
higher positions,

nor in  
choosing  
sides.

...I won't be on  
anyone's side.

I respect your  
intention,

...but it's not easy  
to survive in the  
royal court when you  
are alone.

Well...

I've seen a lot of people fail to survive despite choosing sides.

Just because I'm trying to control the left-parliamentarians' movements doesn't mean I'm joining the side of the right-parliamentarians.

...Right.

I pray that your opinion won't change...

Chief Jung-Ho.

*Chapter 78: Knot*

As you all  
know, tomorrow is  
His Majesty's  
birthday.

Aristocrats and  
government officials from  
other parts of the country  
will be visiting the royal  
palace to celebrate the  
occasion.

Their safety  
and security  
is our main  
responsibility.

Keep on your  
guard at all times  
in your designated  
areas.

**YES, SIR!**

During the  
Emperor's birthday,  
all forces of the Royal  
Investigators will halt  
any investigations.

...and instead will  
focus on escorting  
government officials  
and aristocracy around  
the royal palace.

This is the first  
Imperial Birthday where  
crown prince Hui Yuan  
will be present.

Since this is  
an important event  
that only occurs once  
a year...

We must be on  
our guard to stop any  
unfortunate events from  
occurring.

Do you  
understand?

YES, SIR!

We are almost  
finished decorating  
the interior.

The lesser maids will  
finish the rest.

Instead, you'll be serving  
the left-parliamentarians and  
the right-parliamentarians,

along with all other  
high ranking officials who'll  
be with the Emperor.

You must never  
make a mistake while  
serving them.

As you know, the chosen  
cousins will be serving the  
Emperor himself.

And keep in mind,

crown prince Hat  
Yoru will be attending  
the celebration.

Yee, sir!

*Finally tomorrow...!*

The day we have  
planned for...

...is tomorrow.

Chief Jung-Ho's  
movements are  
suspicious.

He was  
talking to right-  
parliamentarian  
Mum-jung the  
other day...

He was pursuing  
the assassin who attacked  
him, so he was most likely  
consulting Mum-jung  
about that.

Even though it's not  
certain, Jung-Ho most  
likely won't make a move.

The Emperor and I didn't  
leave any traces behind. In  
other words...

...they can't do  
anything against a  
crown prince without  
utterly solid proof.

Not only Jang-Ho...

Tomorrow, Ma-Ryang,  
Man-Jung, and the  
Emperor...

...well all be watching  
me closely.

Everyone believes  
that crown prince Hui-Yeon  
will do something at this  
time.

It's just that no  
one knows what kind of  
plans I have.

So we just need to move  
according to plan.

I still have two  
hidden cards that  
they cannot predict.

Continued

One of them is  
you, Kangyul.

And my other card,  
completely unexpected,  
is—

...Dan  
Hyang.

Tomorrow...

...everything will end.

Hmm... I see.

Thank you for

The courtiers have prepared the room where you'll be staying. You may now rest there until the evening banquet begins.

You are most gracious, Your Majesty.

Even without all the guards, officers, and personnel around the Emperor,

numerous regional governors will be arriving...

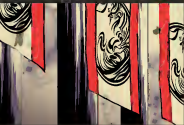

If he's planning something...

...it will happen tonight.

A traditional Chinese banquet hall with a red carpet and ornate furniture. In the background, a man in a red and black robe sits on a throne, flanked by two women in red and black dresses. A large red curtain hangs behind them. In the foreground, a long table is set with various dishes, including large round platters with intricate designs, smaller round dishes, and rectangular trays. Several people are seated around the table, some facing the camera and others with their backs to it. The overall atmosphere is formal and elegant.

To those  
governors, officials,

traveled long distances  
to celebrate my

What's going on?

What's going on?

GAK...!

ARGH!

As simple as he is stubborn...

He really thought I wouldn't notice him.

A close-up of a character's hand, possibly a woman's, with a red mark or wound on the wrist. The hand is clenched into a fist. The background is dark and indistinct.

Even without any  
actual evidence, you made  
it this far...

...but it's too late

A close-up of a character's face in profile, looking downwards. There is a red mark on the cheek. The background is dark and indistinct.

By now, the Royal  
Banquet...

...will have dissolved into chaos.

H-MY LORD...!  
THE WINE SEEMS  
TO BE POISONED!

WHAT?!

WHO WOULD DARE  
TO POISON THE WINE  
ON MY BIRTHDAY?!

The poison that  
Kungyal just gave you  
isn't meant for the  
Emperor.

The Emperor's  
wine is stored in a secure  
location, so poisoning it is  
highly difficult.

You just need to  
poison the wine that the  
court officials will be  
drinking.

Without  
differentiating between  
right-parliamentarians and  
left-parliamentarians!

Are you intending to  
kill them all?

They'll all drink  
the poison, but I'm not  
trying to kill them.

The poison I gave  
you won't kill anybody  
with that dosage.

It'll just make  
them bleed and  
feel agony.

It's purpose is to cause  
panic and chaos.

If you poison the state officials like this,

...won't Jung-Ho or  
Ma-Ryeong grow even  
more suspicious of you?

Like I said, it's the act  
that's important.

Suspicious and accusations  
are not easily brought against  
the Emperor or the crown  
prince.

*That's why I  
intend to poison even the  
left-parliamentarians, who  
have been my supporters.*

*And as part of  
the plan...*

*I'll also drink the poison.*

PR-PRINCE

COUGH!

THE PRINCE'S  
WIFE HAS BEEN

HURRY AND  
SEND FOR A  
DOCTOR! NOW!!

URGENT!!

GASP!

YES, SIR!

That way, it'll look like  
a mass poisoning attempt, rather  
than an attempt to assassinate  
the Emperor...

Furthermore, it'll look  
like an assassination of the  
only prince...

THE CROWN PRINCE  
AND THE PARLIAMENTARIANS  
HAVE BEEN POISONED!

SEARCH THE ROYAL  
PALACE THOROUGHLY!

YES, SIR!

MY LORD,  
THIS PLACE IS  
DANGEROUS!

THERE MAY BE  
ANOTHER ASSASSINATION  
ATTEMPT.

I RECOMMEND YOU  
LEAVE THE JADENET

CROWN PRINCE!

*And when the Emperor

Chapter 82: Dark Night (part 4)

THE PALACE

...IS BURNING?!

Y-YES, MY LORD!

IT SEEMS TO BE
AN ATTEMPT ON YOUR
LIFE, MY LORD!

AT FIRST,
WE THOUGHT THE
FIRE WAS MERELY
ACCIDENT.

HOWEVER, THE
FLAMES ARE RISING
FROM DIFFERENT PLACES
IN A COORDINATED
MANNER.

WITH ALL THE REGIONAL
OVERSEERS AND ASSISTANTS IN
THE PALACE, IT IS IMPOSSIBLE
TO CONTROL THE CHAOS

!!!

This is the only place where I'd be able to return.

Even if I leave the royal palace, I'm still your son.

With 12 votes for,

...and 9 votes against...

The Crown Prince's right to attend has been approved.

...Hui Yeon...was a
royal courtesan?

Yes, my lord.

I believe she was in
the inner palace with
Right-parliamentary
Min Ryang.

I believe the dosage
of the poison was insufficient
to be fatal.

Turn

Don't call me this way...

*...planned out from
the start!*

Curse you, Hui Yeon!

*This is why you returned in
time for my birthday...*

*My lord, I suggest you
concentrate before the fire
reaches this location!*

SILENCE!

I SHALL NOT MOVE.

NONE SHALL
CONTROL THE EMPEROR'S
MOVEMENTS.

NONE.

YOU FOOLS DON'T
EVEN REALIZE THAT THE
POISON AND FIRE ARE
MEANT TO CONTROL MY
POSITION?!

.....

IF MY WILL
IS TO REMAIN
HERE,

...YOUR JOBS ARE TO
STOP THE FIRE FROM
REACHING THIS PLACE!

BE GONE!
ALL OF YOU, LEAVE
AT ONCE!!

My lord...!!

...ALL THE
COURTESANS WILL
HELP CONTROL THE
FIRE OUTSIDE!

THE ROYAL
GUARDS WILL GUARD
THIS ROOM!

NONE SHALL BE
ALLOWED TO ENTER!

SHUT-

CLOSE

DUN!

DUN!

So when Kangyod starts the fire, the palace will descend into utter chaos.

Evacuating so many important figures while fighting the fire will turn most of the attention away from us.

Of the five locations I'll set on fire, two are close to where the Emperor will have been evacuated.

The Royal Guard garrison supporting the Emperor will be forced to divert some of their forces to stop the fire from reaching the Emperor.

since they'll be the closest troops to the fire.

If we can once again minimize the amount of guards around the Emperor by forcing him to move to a different location,

we'll have him where there's even less attention.

I'm aiming for that gap.

...The Crown Prince's predictions have proved off.

The plan to reposition the Emperor into the second, more isolated location has failed.

The fire has indeed managed to drive out the courtiers and royal officials, but the Emperor decided to wait it out here.

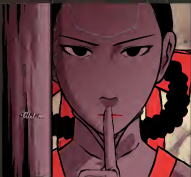

Even the Royal Guards are still garrisoned in full force.

*While everyone else
fell for our trick of disguising
our real motives by targeting
the Crown Prince and the
parliamentarians with
poison,*

*The Emperor instinctively
discovered...*

*...the fact that
everything was going
according to Hui Yen's
plan!*

SFX CRASH

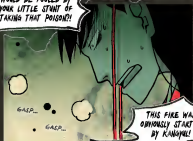

THIS WAS
ALL YOUR PLAN AND
TRICKERY!

HUI YEON!

YOU THOUGHT I
WOULD BE FOOLED BY
YOUR LITTLE STUNT OF
TAKING THAT POISON?

THIS FIRE WAS
OBVIOUSLY STARTED
BY KANGHUI!

THAT'S WHY HE IS
NOWHERE TO BE FOUND,
DESPITE THE FACT THAT
YOU WERE POISONED!

YOU MAY HAVE
BEEN ABLE TO FOOL
EVERYONE ELSE, BUT
NOT ME!

AS SOON AS YOU
RETURNED TO THE
ROYAL PALACE,

I KNEW IT WOULD
COME TO THIS IN
THE END!

*I must ambush them... and
finish them quickly.*

Only one chance!

...?!

Kangyu.

I came by to see why
the Emperor hasn't
relocated.

I can see that things
haven't gone exactly
as planned.

Five Royal Guards
still remain.

Don't tell me you were planning to take care of all five alone?

The Emperor has figured everything out. We don't have much time.

That means a frontal assault is the only option... It's a good thing I'm around, then.

It would have been difficult for you to do it alone.

.....

Kangyeol, I have told you before that I didn't trust you.

Ever since the right-parliamentarian was murdered, I have kept an eye on you.

.....

...Do you still doubt me?

...I don't trust anyone,
naturally.

It's the only
way to survive...

Howard...

....?

I'll put my
faith in you.

Tonight.

To finish everything.

.....

Thanks.

*That's more than
enough.*

Tonight,

Let us finish everything.

Chapter 83: Dark Night (3)

The Emperor has
dismissed all save for
his Guards.

What is your purpose
here?

...I must go inside.

Insolence!

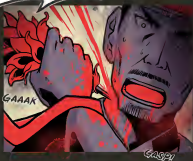

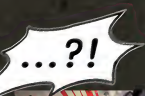

The Emperor has
given orders!

Be gone.

None shall
pass without
the Emperor's
permission.

There... was...

...and
second....

They're like ghosts...

YOU MAY HAVE
BEEN ABLE TO FOOL
EVERYONE ELSE, BUT
NOT ME!

AS SOON AS YOU
RETURNED TO THE
ROYAL PALACE,

I KNEW IT
WOULD COME TO THIS
IN THE END!

A close-up of a character with dark hair and a red sash, looking intensely at someone off-camera. The character's face is partially in shadow, and their expression is stern and angry.

**YOU INSOLENT

**WHAT WAS THE
NEXT PART OF YOUR

A close-up of the same character, now shown in profile, shouting with their mouth wide open. The background is filled with horizontal motion lines, suggesting a high-speed action scene.

**MAKING AN ATTEMPT

What devilry is this...?

Chapter 84: Dark Night (6)

What? The palace
is on fire?

Yes.

I've directed all the
manpower I could find to fight
the fire, but due to the number of
visiting officials, controlling the
situation is impossible.

The palace
military garrison has its
hands full just fighting
the fire.

This is serious. All
the doctors are tending to the
poisoned ministers, and we have
a fire to deal with, too...

...!

Don't
tell me...

Cream prices
Hui Yoon was hoping
for this?

*He knows that no one
will be paying attention
to him with the fire and
poisoning incident!*

*This is an execution
plan he made... Something
big is going on!*

This isn't the end!

*Investigator
Buck-Hwan, I must
check into something!*

Sir? What do you mean?

**SIR, YOU
MUST REST!**

**LIGHT-
PARLIAMENT ARMS!**

**PARLIAMENTARIAN
MU-RYANG!**

THE FIRE
IS TOO BIG! WE CAN'T
STOP IT!

This is bad.

With no rain,
this wooden palace
will turn to ash in
no time....

He has ordered us to
stop the fire from spreading
to there.

In order to carry out that
command, we must destroy
some of the buildings.

The flames are
approaching and the
Empress hasn't
relocated!

If it spreads to
the banquet hall, the
great house nearby will
also be set on fire.

I have already warned him of that...

But he ordered all subjects to leave him alone with just the poisoned crown prince and the Royal Guards.

...?!

Poisoned?

Crown prince Hui Yeon!

.....?

Where have you been,
Chief Jang-Ho?

Because of the
poisoning incident,
the entire palace was
in chaos before the fire
even started.

Not only was the
crown prince poisoned, but
all the parliamentarians drank it
as well.

On top of that, there's this
fire adding to the panic.

Something like this happened while I was knocked out...H

The fire wasn't the end of it!

Lord-Minister, have you seen a man named Kangyu?

He's a servant who is always around crown prince Han Yeon.

Where?

I don't know why you are asking that... But no, I haven't seen him.

He wasn't allowed into the banquet hall in the first place,

and he never showed up when Hui Yuen was poisoned.

Here... This doesn't make any sense. Kangseol is the prime suspect for setting the palace on fire...

But Hui Yuen was poisoned... What is going on?

If my theory is correct and the crown prince planned this all out, that would mean he poisoned himself on purpose.

Did I ever think the satraps?

One thing is
certain—this fire and
the poisoning incident
are definitely linked
together.

This isn't the end...

The assassin who
attacked me is still in
this palace.

Dan-Hyang the assassin!

ATTENDING THE
PALACE GARDENS AND
LOCAL SECURITY FORCE ARE
NOW UNDER THE COMMAND OF
THE PRIME MINISTER HERE.

IN ORDER TO PREVENT IT

YOU ARE DRUNK WITH
POWER AND ARROGANCE-YOU
NEVER LOOKED AFTER THIS
COUNTRY AND ITS PEOPLE!

WHAT?

YOU DARE TO MASK
YOUR FOUL MOTIVE WITH
SUCH WORDS?

YOU ARE THE
ONE WHO IS BLINDED
BY YOUR OWN GREED
FOR POWER,

SO BE SILENT!

YES! IT ALL MAKES

THIS IS WHY YOU
RETURNED TO THE PALACE IN
TIME FOR MY BIRTHDAY AND
TRIED TO SELECT YOUR OWN
ROYAL COURTESAN...

YOU HAD AN
ASSASSIN AMONG THE
ROYAL COURTESANS!

.....

... It is too late now.

The plan didn't progress exactly as anticipated, but it has performed within acceptable parameters.

I shall end you,
my lord.

Finish this, Dan-Hyang.
Kill the Emperor!

...?!

You...

...Dan-Hyang?

...I have a question
for you.

Emperor

About ten
years ago, a group
of soldiers under
your orders...

...killed a group
of orphans created by
war and burned their
home down.

I barely survived...

...and I became
an assassin

Dan-Hyang the assassin!

ANSWER ME!

WHY DID YOU
GIVE THE ORDER TO
SLAUGHTER THOSE
CHILDREN?

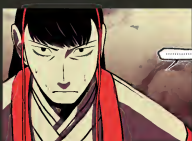

THEY WERE
POOR ORPHANS WITH
NO PLACE TO GO AND
NO ONE TO CARE
FOR THEM!

So that's what
it's about...

Is this why
Doo-Hyang holds so
much hatred for the
Emperor...?

...Government soldiers who massacred our orphans...

...Government soldiers who massacred our orphans...

She persuaded that orinal to become the assassin Dan-Hyang...?

A close-up of a hand holding a sword with a large, bright red flame or fire effect at the hilt. The hand is wearing a red wristband. In the background, there is a speech bubble containing the text "Kakemono mouzo de..." and a large, dark, circular object.

You must be...

...fake.

...?!

*The real
Dan-Hyang isn't
so young.*

However, soon afterwards the body disappeared and rumors started getting longer.

There were even reports that Dan-Hyang was planning to assassinate the king.

You are the main character of that whole revival story.

.....

Seems like I
discovered the big
bad.

If the real Dan-Hyang
was alive, I'd be looking into
guilt of hell right now.

Fifteen years ago,
Dan-Hyang the assassin
was originally...

...an Elite Royal Palace Guard.

~~~~~ Chapter 10: The end of the world is here! ~~~~~

Of course,  
we never began  
with one.

None would  
assign a woman to such  
an important position.

However...  
There is one person  
who brought a female  
general into the Royal  
Palace.

Brought... into the  
Royal Palace?

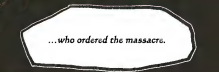

*Your mother, Hui Yeon.*

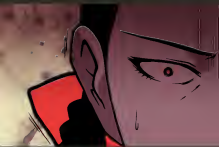

And it was the queen...

...who ordered the massacre.

Chapter 87: Dark Night (9)

AAAAA!

Chief Jung-Ho...?

What brings you and  
your men here...?

AAAAAAAAAAAA

There are not  
enough men to cover the  
entire grounds.

Someone may  
have gotten through  
where men weren't  
guarding!

THE CHASE  
HAPPENING TONIGHT  
MOST DEFINITELY SHOULD  
NOT BE TAKEN LIGHTLY.

STAND ASIDE!  
I SHALL INFORM THE  
EMPEROR MYSELF!

Chief, I obey the  
Emperor's orders.

He directly ordered us  
to admit no one.

Even with your  
rank, you may not pass  
through.

If something  
were to happen  
inside, there is no  
way for the guards  
outside to know!

As I said earlier,  
five Royal Guards are  
keeping the Emperor safe.

Also, the  
Emperor and the  
prince are the only ones  
inside the chamber.

What do you mean  
"if something were  
to happen"?

Damn it...  
How am I supposed to  
explain this?

It's not a theory I  
can start spreading  
around ...!

...WHAT?!

How...!?

I specifically  
ordered everyone to stop  
the fire from spreading at  
all costs...

**STOP STANDING

**ALL MEN, GO AND

We can't wait  
here... Hurry...!

.....!

So that's it...

This fire didn't  
spread from the other  
buildings...

WE MUST  
RESCUE THE  
EMPEROR AS SOON  
AS POSSIBLE.

LEAD THE  
WAY!

That's  
impossible.

Second, Hui Yuan has

Finally... Third.

I can't believe a word of

Back there, I couldn't think
clearly through the chaos,

but what kind of Queen
Consort would order war

After all, she was a

Even if what you

it merely means
that the Crown Prince did
not know the truth about
you, thus I cannot point
my blade at him.

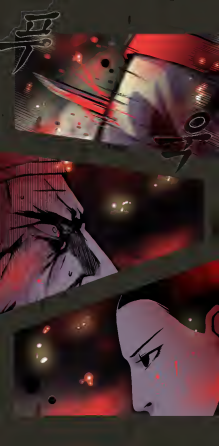

Since I've come this far,

... your death is the
only option.

Emperor of Juushin.

ARE YOU GOING
TO SPIN OUT LIES
UNTIL THE VERY MOMENT
OF YOUR DEATH?

DO YOU
THINK I'M GOING
TO BELIEVE YOU?

Whether I...
...speak lies...

...is up to you
to find out

....!?

Yoon Hwa...

What did you...?

YOUR
MAJESTY!

WHERE
ARE YOU? YOUR
MAJESTY!

YOUR
MAJESTY!

YOUR MAJESTY!
THIS IS CHIEF JUNG
OF THE JUDICIAL
DEPARTMENT!

YOUR
MAJESTY!

.....

Don't
concern yourself with
me—leave.

If you stay
here you're only going
to fall under pointless
suspicion.

Follow me.

Chapter 90. In Full Bloom

Come in.

What do you
think about the palace
you've returned to?

...Jung Ho of the
Judicial Department.

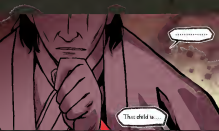

.....

To be honest, I am
not happy at all.

It's only been a
fortnight since His
Highness ascended

Prince Hui Yeon has been
enthroned as the new Emperor of
Joushi, but it seems that I'm
still living in the past.

Ma Ryong...

You still haven't found him?

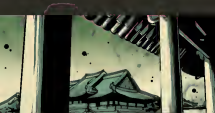

There is a slight chance that he escaped the burning, since House Jeongju having been poisoned.

He told me that he'd return to safety—maybe because he thought it was too dangerous—and I thought he'd followed through, but...

No one has seen him since.

Where can
Right Parliamentarian
Mu Rong possibly
be?

There were no
remains of him in the
burnt ruins of the great
house.

It's impossible
to know what made
him disappear...

Because I was
taking care of matters
for the Emperor's birthday,
I wasn't able to resolve
anything.

In all probability,
Kangraal is the prime suspect,
but now he's become someone
that we can't simply arrest
like before.

Even if we declared
that he ambushed me, there
is no evidence. Furthermore, I can't
explain my own behavior of tailing him
around the palace alone.

More
importantly, when I
lost consciousness I wasn't
actually able to see
Kangraal's face.

We're
clearly limited to
making guesses under
these circumstances.

A close-up, high-contrast illustration of a character's face, likely from an anime or manga. The character has dark, intense eyes and a serious, almost angry expression. The face is framed by two vertical red bars, possibly representing a window or a screen. The background is dark and indistinct.

*Whether
they are right....*

*One can only hope that
time will tell.*

Red flowers.
You mean the Yulan
tree?

Left Parliamentarian,
you must already know this,
but before Iushim was scarred by
war, the Yulan tree with its red
flower was a sight one could see
anywhere in the nation.

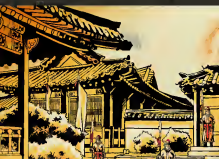

However, it's
become a rare sight
nowadays since many of
them have burned....

I hope to open the
stores of the palace to fill the
stomachs of my hungry subjects,
and to fill the ruined village granaries
with rice flowering rice.

...to do just that.

Is it
impossible to
find out where she's
gone...?

If you
really wanted
to, it would probably
be possible, but...

Since the time she began
working with us, she's been
saying she would disappear once
the work was finished.

His Highness
said to respect her
wishes.

*...hope that she is
safe and well somewhere.*

... Do you think
what the king said before
he died may be true?

.....

I do not know.

If it's true,
it means my mother
was trying to escape my
own conscience.

A bastard
of the king's
concubines...

The Queen
Consort must have been
afraid of my existence
becoming known.

According to
the Emperor, she didn't
think of disposing of me
in the beginning.

That's why she
threw me away with
a secret harpin.

However, when those
who know of my existence
began creeping up, it became
impossible to not eliminate
me.

Pericklas, the Queen
Consent...

...tried to erase my
existence before the truth reached
the king's ears by killing all of the
sorcerers in the area where I
was thrown away.

When I think back
on it, I believe my master already
knew who I really was...

She didn't even
ask why a little girl carried
such a big hairpin despite not
having grown the hair for it.

*As I survived alone
among those ruins,*

*it was probably not a
coincidence that my master
left the Queen Consort's side
to make her way there.*

*I suspect that
she came to stone for
carrying out the brutality
that the Queen Consort
ordered.*

*And with a trick
of fate it is...*

*I was the
only one who survived
there, and became an
essence.*

Ma Buang, why ...?

.....

As if it
wasn't enough
that you got me out of
the palace ... Why did you
leave us well and follow
me here?

Why, you ask?

Surely you're not asking because you don't know?

... But then you didn't know that I was the assassin Don Hyang.

I am the kingmaker who assassinated the Emperor of the great Jurchen.

... You're right. It
wasn't as little surprise
as I'd find out.

However...

Even so...

despite
that...

Time will keep
flowing on and on, and
when the red flowers are
in full bloom,

Then...

I shall return to Juushin.

Afterword

While I am Here for You.

The First Edition has reached its conclusion at 99 chapters.

*To this I know
 never that was that for
 not many more.*

*It was my first debut into journalism.
 It was my first long-running website.
 And it was my first attempt at historical fiction.*

*I do not know that
 my first project that was not
 for me but for others was
 mine to be not.*

*The First Step is asking
that power in the people's control
in the single purpose of concentrating
the flag.*

*Each with moving character but that was
background and that didn't become entangled in a
plot where they influence each other with or without
their own knowledge.*

*Deciding to what the reader are
entitled to of the main character
of the story through the
action.*

*...the main character
was designed to have
past-life from a different
side of them.*

*Thanks to that, I was
able to see many comments that
indicated that people were watching
all the characters with some
concerns at first.*

*Even if the character was
getting the truth, people wouldn't
watch it or like it.* ~4

*The entire point, like my own design,
is to be able to communicate from
my own kind of perspective.*

*I understand people like this, and
I am always kind to make it possible for other
things like this to be made.*

The reason you've come to meet me must be one of two things: either you've come to kill me or you've come to ask me to kill someone.

What did you come here for Prince?

Yup, I'm gonna kill my daddy. Quietly and swiftly.

You must be out of your mind.

But ... if it's the Prince...

Even if it
may be condemned
today as a sin against
heaven,

... surely
you must have a grand
plan that will judge you
fairly in later years of
